

Sino-American Silicon Products Inc.

2022 Annual General Shareholders' Meeting Minutes

Convening Method: Physical Meeting

Time: 9:00 a.m., Thursday, June 23, 2022

Place: 2F, No. 1. Industrial East Road 2, Science-Based Park, Hsinchu

(Science Park Life Hub/Darwin Hall)

Total common shares outstanding: 586,221,651 shares

Attending shareholders and proxy representing: 459,089,092 shares (including 297,991,215 shares of e-voting)

Ratio of Attending shareholders and proxy representing to total common shares outstanding: 78.31%.

Chairperson Hsiu-Lan Hsu

Secretary Shu-Ching Shen

Present

Total of 2 Directors attended in persons:

Hsiu-Lan Hsu (Chairperson)

Chin-Tan Liu (Independent Director / Convener of Audit Committee)

Total of 7 Directors attended via video conference:

Tang-Liang Yao (Director)

Ming-Kung Lu (Director)

Wen-Huei Tsai (Director)

Feng-Ming Chang (Director)

Hau Fang: Kaijiang Corporation Representative (Director)

Hou-Chung Kuo (Independent Director)

Shao-Lun Li (Independent Director)

Total of 9 Directors attended. More than half of the 10 seats on the Board.

In Attendance KPMG Accountant An-Chih Cheng

1. Call Meeting to Order

The aggregate shareholding of the presenting shareholders constituted a quorum.

2. Chairperson's Address

(Omitted)

3. Report Items

Item 1

Motion	Fiscal 2021 Business Report submitted for review
Description	Please refer to the Fiscal 2021 Business Report as attachment 1 .
Shareholder's statement	Stated by shareholder No. 400630 and No.288285 (content omitted), advised/responded by the chairman.

Item 2

Motion	Audit Committee's report on 2021 annual final accounting books and statements submitted for review
Description	Please refer to the Audit Committee's 2021 Review Report as attachment 2.
Shareholder's statement	Stated by shareholder No. 400630 and No.288285 (content omitted), advised/responded by the chairman and related staff appointed by the chairman.

Item 3

Motion	Distribution of remuneration to directors and employees in fiscal 2021, submitted for review
Description	<p>(1) The company 2021 earning (Before deducting remuneration to employees and directors from Profit before Tax) is NTD 7,298,598,560. Pursuant to Article 27 of Articles of Incorporation, if the Company is profitable at the end of each fiscal year, 3~15% of the profit shall be appropriated for the employees' remuneration and no more than 3% shall be appropriated for directors' remuneration.</p> <p>(2) The Company is proposed to distribute NTD 438,902,000 to employees (distribution ratio 6.01%) and NTD 45,000,000 to directors (distribution ratio 0.62%). Distribution to both employees and directors is made in cash.</p> <p>(3) Qualification requirements of employees entitled to receive remuneration includes employees of the company and subsidiaries of the company meeting certain specific requirements. Remuneration amount will be decided after consideration with seniority, position, performance, contribution or special dedication, and chairperson is fully authorized.</p>

Item 4

Motion	Report on 2021 earning distribution, submitted for review
Description	Pursuant to the Articles of Incorporation, the Board of Directors is authorized to resolve to distribute earning and capital reserve in cash after the end of each half-year. The respective amounts and payment dates of 2021 cash dividends of each half year approved by the Board of Directors are demonstrated in the table below:

2021	Approval Date month/date/year	Payment Date month/date/year	Cash Dividends Per Share (NT\$)			Total Amount (NT\$)
			EPS	capital reserve	Total	
First Half	12/09/2021	02/18/2022	0.1067	3.3933	3.5	2,051,775,778
Second Half	05/05/2022	08/12/2022	3.4522	1.0478	4.5	2,637,997,430
Total			8.0			4,689,773,208

Shareholder's statement Stated by shareholder No.288285 (content omitted), advised/responded by the chairman and related staff appointed by the chairman.

Item 5

Motion Rejection on the private placement of common shares after the expiration date, submitted for review.

Description According to the resolution of AGM on August 26, 2021 and Article 43-6 of Securities Exchange Act, new shares within the issuance of 85,000,000 shares will be expired on August 25, 2022. Rejection will be conducted from the expiration date due to overall financial considerations.

Item 6

Motion Amendment to the "Codes of Ethical Conduct", submitted for review

Description In line with the Company's management need of public property, the reporting obligation of public property damage is added, and it stipulates the Company may claim compensation on the mischief causing damage whether a coincidence or on purpose pursuant to the regulation. In addition, it also adds the obligation of the custodian department to regularly inventory on the public property so the Company's property could be fully protected. Please refer to the comparison chart as attachment 5.

Item 7

Motion Amendment to the "Corporate Social Responsibility Best Practice Principles", submitted for review

Description In order to comply with the amendment of the regulation, strengthen the implementation of the Company's sustainable development, and improve the quality of information disclosure of sustainable development, the board of directors approved the revision of partial articles in "Corporate Social Responsibility Best Practice Principles". In line with the Corporate Governance Blueprint 3.0 published by Financial Supervisory Commission to expand the concept of corporate social responsibility to sustainable development, "Corporate Social Responsibility Best Practice Principles" is renamed to "Sustainable Development Best Practice Principles". Please refer to the comparison chart as attachment 6.

4. Approval Items

Item 1	(Proposed by the Board of Directors)
Motion	2021 business report, financial statements and earning distribution, submitted for approve
Description	(1) 2021 Financial Statements (including consolidated and standalone financial statements) were audited by KPMG CPAs, Cheng, An-Chih and Tseng, Mei-Yu. The aforementioned, FY 2021 Business Report and Earning Distribution Table have been approved by the audit committee. (2) Please refer to the Business Report, Financial Statements and Earning Distribution Table as attachment 1, attachment 3 and attachment 4. (3) Approval requested.
Shareholder's statement	Stated by shareholder No. 400630 and No.288285 (content omitted), advised/responded by the chairman.
Resolution	Approved by the voting result as following: FOR – 416,977,432 votes (90.82% of total votes) AGAINST – 30,884 votes ABSTAIN – 42,080,776 votes INVALID - 0 vote

5. Discussion Items

Item 1	(Proposed by the Board of Directors)
Motion	Amendment to the “Articles of Incorporation”, submitted for resolve
Description	(1) To add more flexibility in convening shareholders' meetings, amendments have been made to the “Articles of Incorporation.” Please refer to the comparison chart as attachment 7 (2) Resolution requested.
Resolution	Approved by the voting result as following: FOR – 412,804,508 votes (89.91% of total votes) AGAINST – 4,118,435 votes ABSTAIN – 42,166,149 votes INVALID - 0 vote
Item 2	(Proposed by the Board of Directors)
Motion	Amendment to the “Rules and Procedures of Shareholders' Meeting”, submitted for resolve

Description	<p>(1) Pursuant to article 172-2 amendment in Company Act which stipulates the public offering companies might convene shareholder meeting by visual communication network, and refer to the sample template for Rules of Procedure for Shareholders Meetings announced by the competent authority, the Company proposes to re-legislate the “Rules and Procedures of Shareholders' Meeting” as Attachment 8 and abolish the old version accordingly.</p> <p>(2) Resolution requested.</p>
-------------	--

Resolution	<p>Approved by the voting result as following: FOR – 417,335,435 votes (90.90% of total votes) AGAINST – 38,624 votes ABSTAIN – 41,715,033 votes INVALID - 0 vote</p>
------------	---

Item 3	(Proposed by the Board of Directors)
---------------	--------------------------------------

Motion	Amendment to the “Acquisition or Disposal of Assets Procedure”, submitted for resolve
--------	---

Description	<p>(1) To comply with the revision of laws and regulations in strengthening the management of related party transactions and improving the quality of fair opinions issued by external experts, the Company proposes to amend the “Acquisition or Disposal of Assets Procedure.” Please refer to the comparison chart as attachment 9.</p> <p>(2) Resolution requested.</p>
-------------	---

Resolution	<p>Approved by the voting result as following: FOR – 417,322,311 votes (90.90% of total votes) AGAINST – 42,754 votes ABSTAIN – 41,724,027 votes INVALID - 0 vote</p>
------------	---

Item 4	(Proposed by the Board of Directors)
---------------	--------------------------------------

Motion	Issuance of new shares through public offering or private placement in response to the Company’s capital needs, submitted for resolve
--------	---

Description	<p>(1) To meet the development of alliance with major companies and to increase working capital, or overseas purchase, prepayment of bank loan, purchase of equipment and machinery for future needs, and long-term investments and/or others to improve competitiveness, the Company proposes to authorize the</p>
-------------	---

Board to issue new stocks up to 85,000,000 shares under appropriate conditions and in determination of the method of stock issuance in common shares or in GDR for common shares or private placement for common shares, and adjustment of issuing size within the said quota at once or through installment (less than twice for private placement).

(2) Principles and Conducting of Raising Funds

1. The issuance of new common shares for capital increase in cash

Pursuant to the Article 28-1 of Securities and Exchange Act, Board of Directors is authorized to choose either book building or public application regarding underwriting and proceed as below:

I. Book Building

Unless otherwise the Article 267 of the company law to retain 10%-15% new issuance shares for the company employees, and the remaining 85%-90% according to the Securities and Exchange Act Rule 28-1, shall be all provided with public application in the book building method. In case the actual purchases of the reserved stock options for the employees falls short, the chairperson is authorized to negotiate with specific parties to purchase those shares at the issue price in accordance with the Taiwan Securities Association Rules Governing Underwriting and Resale of Securities by Securities Firms.

The issue price by the Taiwan Securities Association Rules Governing Issue Company raising and issuing securities (hereinafter “Discipline Principles”) may not be lower than 90% of the average closing prices of common shares of the Company for either one, three, or five business days before either the date on which the application is filed at Taipei Exchange or the five business days before the ex-rights date. The aforementioned price should be determined in compliance with related requirements of competent authorities. The Board of Directors will be authorized to negotiate with the lead underwriter to have actual price determined in light of market status.

II. Public Application Offering

Pursuant to the Article 267 of Company Act, 10%-15% of the new share issuance will be reserved for employees’ preemptive subscription and 10% will be reserved for public offer. The remaining 75%-80% of the share issuance will be reserved for preemptive purchase of original shareholders based on the shareholder's name and his/her shares registered in the shareholders roster at the dividend record date. For the issuance not subscribed by employees

and the original shareholders in proportion or as a whole, the chairperson of the Board is to be authorized to negotiate with specific parties to purchase shares at issuing price. The issue price of new common shares from the cash capital increase may not be lower than 70% of the average closing prices of common shares of the Company for either the one, three, or five business days before either the date on which the application is filed with the Financial Supervisory Commission or the five business days before the ex-rights date. The average closing price mentioned above shall be after adjustment for any distribution of stock/cash dividends or capital reduction.

2. The issuance of GDR for the new common shares from cash capital increase
 - I. Pursuant to the Article 267 of Company Act, 10%-15% of the share issuance will be reserved for employees' preemptive subscription. For those stocks not subscribed by employees in proportion or as a whole, the chairperson of the Board is to be authorized to negotiate with specific parties to purchase the unsubscribed share in common stock or GDR of subscription at the issuing price in accordance with the market development. For the remaining 85%-90% of issuance, based on the Article 28-1 of the Securities and Exchange Act, the board proposes to offer through public application offering for the issuance of GDR according to the Taiwan Securities Association Rules Governing Underwriting and Resale of Securities by Securities Firms.
 - II. The issuing price of new common shares for capital increase in cash or the issuing price of GDR for the new common shares from cash capital increase is to be determined based on general practices worldwide and it shall not affect shareholder's interests. However, the final issuing price is to be determined by the lead underwriter and the Chairman of the Board who is authorized by the Shareholders' Meeting by referring to market conditions at the time of issuance; also, it must be in compliance with related requirements of competent authorities.
 - a. According to the "Disciplinary Rules", the issuing price of the new common shares from cash capital increase may not be lower than 90% of the closing price of common shares at Taipei Exchange on the price determination day or 90% of average closing price of the common shares of the Company for either one, three, or five business days before the price determination

date, after adjustment for any distribution of stock/cash dividends or capital reduction. The aforementioned price may adjust when variation occurred in domestic requirements. Since domestic share price may vary excessively within a short period, the Chairman of the Board of Directors will be authorized to negotiate with the lead underwriter to have actual price determined in light of international conventions, capital market, domestic share price and overall book building.

- b. For the rights of original shareholders, the issuance of new shares for cash capital increase up to 85,000,000 common shares will have the maximum dilution effect of at 14.50%. The funds raised from the capital increase in cash shall generate sustainable growth in Company's business; reinforce competitiveness, and surely benefit shareholders. GDR issue price is determined according to fair value domestically. Original shareholders may purchase common stock in domestic market at Taipei Exchange for the price close to GDR price, exempting from currency and fluidity risks. There is no huge impact on original shareholders.

3. Private placement for common shares for capital Increase by cash

The issuance plan of private placement for common shares is conducted pursuant to Article 43-6 of Securities Exchange Act and Directions for Public Companies Conducting Private Placements of Securities.

I. The necessity of private placement

a. The reasons for not taking a public offering:

Consider the capital market status, effectiveness of financing, feasibility, issuance cost, and actual requirement of bringing in strategic investors. With the limit of no-trading period of 3 years, it is better to maintain a long-term relationship with strategic partners by such security issuance of private placement. Therefore, the Company proposed to raise capital through private placement, rather than public offering.

b. The amount of the private placement:

Less than 85,000,000 shares.

c. The capital usage plan and projected benefits of private placement:

In response to strategic alliance development or operational funds increase, overseas purchase, reimbursement of bank loan, purchase of machinery and equipment or reinvestment and any capital needs in the future, single or twice private placement at

the maximum can be executed in terms of the market condition in order to bring in long-term funds at appropriate time responding to the rapidly changing industry environment and strengthening the equity structure and competitiveness of the company.

II. The rationality to determine the price of private placement

The common stock price per share shall be no less than 80% of the reference price. The reference price is set as the higher of the following two basis prices:

- a. The average closing price from either 1, 3 or 5 days before the pricing date, minus dividends adjustment, plus price discount adjustment due to capital reduction.
- b. The average price of 30 days before the pricing date, minus dividends adjustment, plus price discount adjustment due to capital reduction.

The pricing date, actual issuance price are proposed to authorize the Board to determine after taking into consideration the market status, objective conditions. The price determination above shall follow regulations from government authorities.

III. The method to determine specific parties

No specific subscriber, selected in accordance with Article 43-6 of Security and Exchange Act, has been appointed for the private placement for common shares. The strategic investors have the priority to be considered as specific parties for private placement to meet the Company's needs on technology cooperation and operation strategy.

Relevant matters about specific subscribers shall be authorized to the chairman for full responsibility.

IV. The necessity of subscribers to be strategic investors and projected benefits

In responding to the need of a long-term development of the company, the strategic investors will meet the company's needs on technology cooperation, quality improvement, cost reduction, stable supplier source of key components, efficiency enhancement and market expansion through their skill, knowledge, brands or channels.

V. Rights and obligations for this private placement for common shares are basically the same with those of issued common shares of the company while according to the relevant rules of Security and Exchange Act, no-trading period of 3 years is to be followed. The

private placement for common shares can be offered in public for trading after 3 years.

VI. The issue price of the private placement for common shares (except the markup pricing), issuance conditions, issuance regulations etc. shall be proposed to authorize the Board to determine all related issues according to any changes in regulation, market or reviews from the authorities.

(3) Oval by the shareholders' meeting on the domestic capital increase by cash or the issuance of new shares and/or GDR for cash capital increase and/or the private placement for common shares, the Board is authorized to determine public offering or private placement of the issuance of common shares, conditions, volume, pricing, amount, fund usage, project items, project schedule, possible projected production benefits, record date for the capital increase and relevant matters of the private placement including commands from the authorities or market and objective environmental alteration, and others not included.

(4) Rights and obligations about the issuance of new shares are the same with those of the issued.

(5) Resolution requested.

Shareholder's statement Stated by shareholder No.288285 (content omitted), advised/responded by the chairman.

Resolution Approved by the voting result as following:
FOR – 351,354,363 votes (76.53% of total votes)
AGAINST – 65,161,249 votes
ABSTAIN – 42,573,480 votes
INVALID - 0 vote

6. Extemporary Motion

None.

Shareholder's statement Stated by shareholder No. 321872 (content omitted), advised/responded by the chairman.

7. Meeting Adjourned

10:30 a.m., Thursday, June 23, 2022.

The minutes record the meeting subject and results only; specific content, procedure as well as shareholders' speeches please refer to video record.

Attachment 1

Sino-American Silicon Products Inc. 2021 Business Report

Dear Shareholders,

Thank you for attending the 2022 Shareholders' Meeting of Sino-American Silicon Products Inc. (SAS) and for your support and love for the Company.

In 2021, the overall solar energy industry still faced various new and old challenges; other than the sharp rise in upstream material prices due to the labor and material shortage resulting from the pandemic, the Chinese government imposed the Dual Control System of Total Energy Consumption and Energy Intensity also pushed up the overall costs. However, as the world enters the post-pandemic era, the global demand for solar energy installation increases. Many countries have declared the commitment to achieve carbon neutrality or zero-emission within a certain timeframe. Taiwan has also set the goal of net zero emissions by 2050, and the utilization of renewable energies and green production has become the key strategies of carbon neutrality. SAS supports the global and domestic net zero transformation with actual actions, to commit that SAS Group, with all subsidiaries, will achieve the goal of 100% utilization of renewable energy before 2050 in stages. SAS has a robust operation in the solar energy supply chain. Except for providing single crystalline silicon solar cells with high performance, modules and downstream power plant operation and maintenance, the Company also has actively positioned itself in the areas like energy storage and renewable energies, while actively expanding the key industrial positioning within the semiconductor industry chain, to expand the high value business, so that the 2021 operating results is outstanding!

The full year consolidated revenue for 2021 of Sino-American Silicon totaled NT\$68.8 billion with YoY 12.1%; gross profit of NT\$24.5 billion with gross margin of 35.6%; operating profit of NT\$18.1 billion; profit before tax of NT\$17.2 billion; net profit of NT\$12.6 billion; net profit attributed to the parent company of NT\$6.8 billion; EPS of NT\$11.62. The consolidated revenue of 2021 recorded the second highest and the full year gross margin reached 35.6%, a new historical high! EPS for 2021 of NT\$11.62, the best in history! Its semiconductor subsidiary, GlobalWafers Co., Ltd. (GWC), FY2021 revenue totaled NT\$61.1 billion, reached record high. Gross margin of 38.1%, the second highest in the history; operating margin of 28.9%, the third highest record!

The operating results in 2021 and the business plan in 2022 are reported as follows:

I. Operation Results in 2021

(I) Operation Performance

Unit: NT\$ thousands

Item	Year	2021 (IFRSs)	2020 (IFRSs)	Percent Change (%)
Revenue		68,841,250	61,397,299	12.12
Cost of Goods Sold		44,314,606	40,283,700	10.01
Gross Profit		24,526,644	21,113,599	16.17
Operating Expense		6,446,651	6,181,502	4.29
Operating Profit		18,079,993	14,932,097	21.08
Profit Before Tax		17,205,727	16,238,190	5.96
Net Profit		12,615,390	12,711,062	-0.75
Net profit (Attributed to the parent company of the current period)		6,811,050	6,326,235	7.66

(II) Budget Implementation: The Company had not announced its financial forecast for 2021

(III) Profitability Analysis

Item		2021	2020
Financial Structure	Debt to Asset Ratio (%)	68.81	54.83
	Long-term Funds to PPE (%) (PPE - Plant, Property, Equipment)	326.57	182.30
Profitability Analysis	Return on Assets (%)	9.29	11.67
	Return on Equity (%)	24.78	25.87
	Percentage in Paid-up Capital (%)	Operating Profit	308.42
		Profit Before Tax	293.50
	Net Profit Margin (%)	18.33	20.70
	Earnings Per Share (NT\$)	11.62	10.82

(IV) Financial Income and Expenditure

The Company's 2021 revenue of NT\$68,841,250,000; cost of goods sold of NT\$44,314,606,000; operating expenses of NT\$6,446,651,000; non business expenditure of NT\$874,266,000; profit before tax of NT\$17,205,727,000; net profit of NT\$12,615,390,000. The financial structure is healthy.

(V) Research & Development

1. 2021 Research & Development Expenditure

Unit: NT\$ thousands

Item/Year	2021	2020
Research and Development Expenses	2,165,030	1,742,108
Revenue	68,841,250	61,397,299
R&D expenses as a percentage of net revenue (%)	3.14	2.84

2. 2021 Achievement

Technology/Product

- (1) High Quality Multi-Crystalline Silicon Materials
- (2) High Efficiency P-type Mono-Si Solar Cell

3. Future R&D Plan

- (1) Development of Large Size Ultra-High Efficiency mono-Si Solar Cell Technology

II. Summary of the Business Plan for 2022

(I) Business Guideline

1. Actively develop the growth momentum, and position the opportunities in the compound semiconductors.
2. Enter the long-term agreement with strategic customers, to introduce the new-generation large-sized products for better competitiveness.
3. Diversified energy applications and services, including the opportunities derived from energy storage and green power.
4. Monitor the environment, social, and governance (ESG) issues, and enhance the energy utilization efficiency by using renewable energies, to achieve the goal of net-zero emission by 2050.
5. Utilize the Group's resources for vertical integration to expand the market and make profitable investment plans for power plants.

(II) Sales Forecast

With the new green policies around the world, the self-announcements of environmental effects from enterprises, and the lowering prices of solar modules, the global demands toward accelerated grid parity for solar energy will keep on growing. The analyst from PVinfoLink revised upward again that the global demands for solar power generation, and forecasted the installation volume likely reaches 220GW for the full year of 2022. The large-size monocrystal products with high efficiency will be the mainstream. Therefore, the Company has a firm grasp of market trends and industry pulse, by timely adjustment on

management strategies and by developing new-generation ultra-efficient products so as to strengthen the Company's overall maneuvering competitiveness.

(III) Important production and marketing policies

1. Continuously develop the regional market, to catch the trading opportunities under the trade war and new green policies.
2. Enhance the collaboration with the customers entered with long-term contracts, and develop the niche products with high efficiency and large size.
3. Increase the added values while actively reducing the manufacturing costs to increase margins.
4. Explore the downstream system business, strengthen vertical integration and global footprint, further expand the product market, and increase operating profit margin.
5. Expanding the collaboration with different types of renewable energy power generators, to satisfy the self and supply chain demands.

(IV) Development Strategies of the Company in the Future

1. Develop the compound semiconductor platform by applying the Group's synergies.
2. Continue developing and enhancing the cost to price ratio of solar products. Through technologies and product size differentiation strategies, to solidify the competitive position.
3. Actively give play to the strategic layout of solar power plants, develop new solar energy system investment partners, and create the Group's terminal market to obtain long-term stable returns.
4. Establish a fully integrated supply chain in the upper, middle and lower reaches, spread operational risks through vertical integration and diversified business strategies, and become the world's provider of green energy solutions with leading technologies.
5. Respond to the solution opportunities derived from climate change, and become a sustainable operation partner of our customers.

(V) Effect of External Competition, Regulatory Environment and Macroeconomic

1. In response to a number of competitors, the Company has accelerated the development of strategic customers and continued to develop new products with high-cost effectiveness. At the same time, it accelerates the integration of downstream system power stations to strengthen the downstream market of the Group's products.
2. Uncertainties of geopolitics: the battles of new energies between China and the U.S., and the uncertainties related to the tariff barrier policies.

3. To accommodate the liberalization of the green power transaction market, assistance services provided by Taipower, and the corporates' demands toward green power, the new energy strategy and opportunity development workforce has been established to meet the clients' new demands through internal transformation.
4. Enhance confidentiality control and establish a global core patent distribution strategy to improve international competitiveness and respond to market changes.
5. The Carbon Border Adjustment Mechanism (CBAM) promulgated officially by the EU will impose taxes on these imported goods failing to comply with the EU carbon emission regulations, and this shall expand internationally. The "Climate Change Response Act" to be promulgated in Taiwan will impact the enterprises not prepared well.

As impacts from extreme weather events grow in frequency and severity, renewable energy is crucial for decarbonization, many nations legislate green policies and climate goals to adopt renewable energy. Among all, solar PV accounts for more than half of all renewable power expansion because of its affordability and innovation, making it fully competitive to displace fossil fuels. Also, domestic demands are underpinned by 2050 carbon neutrality resolution made by Taiwan government. SAS aggressively searches for new possibilities for building solar power plant to augment its deployment, such as like aquavoltaics, agrivoltaics ... etc. to tackle land availability – the primary limiting factor in Taiwan and shifts from a pure manufacturer to a diversified energy applications and services supplier, including energy storage and green power. With restless efforts, SAS explores and enlarges its business, aiming to become a total green energy solution provider. Look into the future, SAS will focus on the robust operation of the key services, and keep on expanding strategic positioning in the semiconductor sector, which will become SAS' profitability foundation in terms of overall performance, seeking to increase the operating performance improvement, with another year of outperformance.

Finally, I would like to thank all shareholders for their long-term support and encouragement. I hope that all shareholders will continue to give the Company their love and support. On behalf of all our colleagues and the Board of Directors, I would like to express my sincere thanks.

I wish you good health and all the best.

Chairperson	Hsiu-Lan Hsu
President	Tang-Liang Yao
Chief Accounting	Hsiu-Ling Hsu

Audit Committee Review Report

The Board of Directors has prepared the Company's 2021 Business Report, Consolidated and Standalone Financial Statements and Earnings Distribution Proposal. Sino-American Silicon Products Inc. Consolidated and Standalone Financial Statements have been audited and certified by An-Chih, Cheng, CPA, and Mei-Yu, Tseng, CPA, of KPMG and audit review reports relating to the Financial Statements have been issued. The aforementioned Business Report, Consolidated and Standalone Financial Statements and Earnings Distribution Proposal have been reviewed and considered to be complied with relevant rules by the undersigned, the audit committee of Sino-American Silicon Products Inc. according to Article 14-4 of Securities and Exchange Act and Article 219 of the Company Act, I hereby submit this report.

Sino-American Silicon Products Inc.

Audit Committee Convener:

Chin-Tang, Liu

May 05, 2022

Attachment 3

Independent Auditors Report and Financial Statements

Independent Auditors’ Report

To the Board of Directors of Sino-American Silicon Products Inc.:

Opinion

We have audited the consolidated financial statements of Sino-American Silicon Products Inc. and its subsidiaries (“the Group”), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards (“IFRSs”), International Accounting Standards (“IASs”), Interpretations developed by the International Financial Reporting Interpretations Committee (“IFRIC”), and the former Standing Interpretations Committee (“SIC”) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (“the Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our judgment, the key audit matters that should be disclosed in this audit report are as follows:

1. Revenue recognition from contracts with customers

Please refer to note 4(15) “Revenue recognition” for accounting policy and note 6(23) “Revenue from contracts with customers” of the consolidated financial statements for further information.

Description of key audit matter:

The Group's semiconductor segment revenues are derived from the sales of semiconductor materials and components. Revenue recognition is also dependent on whether the specified sales terms in each individual contract are met. In consideration of the high volume of sales transactions generated from world-wide operations, revenue recognition is one of the key areas our audit focused on.

How the matter was addressed in our audit:

In relation to the key audit matter above, we have performed certain key audit procedures that included understanding of revenue recognition policies and assessing whether revenue recognition policies are appropriate based on sales terms and revenue recognition criteria; understanding the design and process of implementation of internal controls and testing operating effectiveness; testing selected sales samples and agreeing to customer orders, delivery note and related documentation supporting sales recognition; testing sales cut-off, on a sample basis, for transactions incurred within a certain period before or after the balance sheet date by reviewing related sales terms, inspecting delivery documents, and other related supporting document to evaluate whether the revenue was recorded in proper period.

2. Goodwill impairment assessment

Please refer to the note 4(13) "Impairment of non-financial assets" for accounting policy, note 5(2) "Significant accounting assumptions and judgments, and major sources of estimation uncertainty" for impairment assessment, and note 6(12) "Intangible assets" for further details.

Description of key audit matter:

The Group is in a capital intensive industry, with goodwill arising from business combinations. Moreover, the Group operates in an industry in which the operations are easily influenced by various external factors, such as market conditions and governmental policies. Therefore, the assessment of impairment of goodwill is necessary. The assessment procedures, including identification of cash-generating units, valuation models, selection of key assumptions and calculations of recoverable cash inflows, depend on the management's subjective judgments, which contained uncertainty in accounting estimations. Consequently, this is one of the key areas in our audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, we have performed certain key audit procedures that included assessing triggering events identified by management for impairment indicators existing in a cash-generating unit, assessing whether the assumptions used for evaluating the recoverable amount are reasonable; evaluating the achievement of prior year financial forecasts; inspecting the calculations of recoverable amounts; assessing the assumptions used for calculating recoverable amounts and cash flow projections; performing sensitivity analysis based on key factors; assessing whether the accounting policies for goodwill impairment and other relevant information have been appropriately disclosed.

Other Matter

Sino-American Silicon Products Inc. has additionally prepared its parent-company-only financial statements as of and for the years ended December 31, 2021 and 2020, on which we have issued an unqualified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the 2021 consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are An-Chih Cheng and Mei-Yu Tseng.

KPMG

Taipei, Taiwan (Republic of China)

Independent Auditors' Report

To the Board of Directors of Sino-American Silicon Products Inc.:

Opinion

We have audited the parent-company-only financial statements of Sino-American Silicon Products Inc.(“the Company”), which comprise the balance sheets as of December 31, 2021 and 2020, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the parent-company-only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent-company-only financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and its financial performance and its parent-company-only cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent-Company-Only Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (“the Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent-company-only financial statements of the current period. These matters were addressed in the context of our audit of the parent-company-only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our judgment, the key audit matters that should be disclosed in this report are as follows:

Evaluation of investments accounted for using the equity method

For the accounting policies of the assessment of the investment under equity method, please refer to note 4(8) “Investment in associates” and note 4(9) “Investment in subsidiaries” of the parent-company-only financial statements; for the assessment of the investment under equity method, please refer to the parent-company-only financial statements of note 6(7) “Investments accounted for using equity method” .

Description of key audit matters:

The Company holds a 51.17% of the shares in the equity investment subsidiary, GlobalWafers Co., Ltd. Given that most of the subsidiaries of GlobalWafers Co., Ltd. are mainly arising from business combinations, and GlobalWafers operates in an industry subjected to fluctuations in the market environment and other factors, the recognition of the revenue of subsidiaries and the assessment of goodwill impairment are important. It is considered to be one of the key areas in our audit.

How the matter was addressed in our audit:

The principal audit procedures performed for the recognition of revenue related to investees under equity method include understanding the accounting policies adopted for the revenue recognition; assessing the design of the internal control system of sales revenue; and testing selected samples of individual transactions to support the appropriateness of the recognition of revenue. The principal audit procedures for the goodwill impairment assessment include: assessing the cash generating unit that the management has identified to impair and signs of impairment; assessing the reasonableness of the management's method of measuring the recoverable amount; assessing the accuracy of management's past forecasts; reviewing management's calculation of the recoverable amount of cash generating units; evaluating various assumptions used for future cash flow projections and calculating recoverable amounts, and performing the sensitivity analysis of the key assumptions.

Responsibilities of Management and Those Charged with Governance for the Parent-Company-Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent-company-only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent-company-only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent-company-only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Parent-Company-Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent-company-only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent-company-only financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent-company-only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent-company-only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the parent-company-only financial statements, including the disclosures, and whether the parent-company-only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent-company-only financial statements. We are responsible for the direction, supervision and performance of Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent-company-only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are An-Chih Cheng and Mei-Yu Tseng.

KPMG

Taipei, Taiwan (Republic of China)

Rules and Procedures of Shareholders' Meeting

Article 1

To establish a strong governance system and sound supervisory capabilities for the Company's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to Article 5 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

Article 2

The rules of procedures for the Company's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.

Article 3

Unless otherwise provided by law or regulation, the Company's shareholders meetings shall be convened by the board of directors.

Any change to the convention method of the Company's shareholders' meetings shall be resolved by the board of directors, and no later than mailing the shareholders' meeting notice.

The Company shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. The Company shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. However, where the Company's paid-in capital of NT\$10 billion or more as of the last day of the most recent fiscal year, or aggregate shareholding percentage of foreign investors and Mainland Chinese investors of 30% or more as recorded in the shareholders' register at the time a regular shareholders' meeting is convened in the most recent year, the electronic files shall be transmitted 30 days prior to the regular shareholders' meeting. In addition, before 15 days before the date of the shareholders meeting, the Company shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at the Company and the professional shareholder services agent designated thereby.

The agenda handbook and meeting supplemental information in the preceding paragraph shall be provided to the shareholders for reference on the date of the shareholders' meeting in the following manners:

1. For the physical shareholders' meeting, such information shall be distributed at the site of the meeting.
2. For the video-assisted shareholders' meeting, such information shall be distributed at the site of the meeting, and transmitted to the video conference platform as electronic files.
3. Where a shareholders' meeting is convened in the manner of video conference, such information shall be transmitted to the video conference platform as electronic files.

The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

Election or dismissal of directors, amendments to the articles of incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, the dissolution, merger, or demerger of the corporation, or any matter under Article 185, paragraph 1 of the Company Act, Articles 26-1 and 43-6 of the Securities Exchange Act, Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers shall be set out and the essential contents explained in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

Where re-election of all directors as well as their inauguration date is stated in the notice of the reasons for convening the shareholders meeting, after the completion of the re-election in said meeting such inauguration date may not be altered by any extraordinary motion or otherwise in the same meeting.

A shareholder holding one percent or more of the total number of issued shares may submit to the Company a proposal for discussion at a regular shareholders meeting. The number of items so proposed is limited to one only, and no proposal containing more than one item will be included in the meeting agenda. When the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda.

A shareholder may propose a recommendation for urging the Company to promote public interests or fulfill its social responsibilities, provided procedurally the number of items so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda.

Prior to the book closure date before a regular shareholders meeting is held, the Company shall publicly announce its acceptance of shareholder proposals in writing or electronically, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and take part in discussion of the proposal.

Prior to the date for issuance of notice of a shareholders meeting, the Company shall inform the shareholders who submitted proposals of the proposal screening results and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any

shareholder proposals not included in the agenda.

Article 4

For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by the Company and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to the Company before five days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to the Company, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to the Company before two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

After a proxy form has been delivered to the Company, if the shareholder intends to attend the meeting in the manner of video conference, a written notice of proxy cancellation shall be submitted to the Company two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

Article 5

The venue for a shareholders meeting shall be the premises of the Company, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

When the Company convenes the video shareholders' meetings, the restrictions of convention location in the preceding paragraph do not apply.

Article 6

The Company shall specify in its shareholders meeting notices the time during which shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations. The time during which shareholder attendance registrations will be accepted at the video conference platform shall be at least 30 minutes prior to the time the meeting commences. The shareholders accepted are deemed to attend the shareholders' meeting in person.

Shareholders and their proxies (collectively, "shareholders") shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. The Company may not arbitrarily add requirements for other documents beyond those showing

eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

The Company accepts the sign-in cards turned in by shareholders instead of the attendance book.

The Company shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

Where the Company convenes the video shareholders' meetings, and shareholders intend to attend in the manner of video conference shall register with the Company at least two days prior to the meeting date.

Where the Company convenes the video shareholders' meetings, the Company shall upload the agenda handbook, annual reports and other related information to the video conference platform for the shareholders' meeting, at least 30 minutes prior to the time the meeting commences, and retain the disclosure of such until the meeting ends.

Article 6-1

Where the Company convenes the video shareholders' meetings, the meeting notice shall specify the following matters:

1. The method for shareholders to attend the video conference and exercise their rights.
2. The handling method when the video conference platform or participation in the manner of video conference fails due to force majeure, such as natural disasters or incidents, and the follows shall be at least included:
 - (1) Time and date for the postponement or re-convention when the aforesaid continual failure cannot be eliminated and thus a postponement or re-convention is required.
 - (2) The shareholders who have not registered to attend the first shareholders' meeting via video conference must not attend the postponed or re-convened meeting.
 - (3) Where the Company convenes the video-assisted shareholders' meetings, and when the video meeting could not be continued, if the total attending shares still meet the statutory quorum for shareholders' meeting commencement after deducting these shares held by the shares attending the meeting via video conference, the meeting shall continue; the shares held by the shareholders attending the meeting via video conference shall be included in the total shares of the attending shareholders, but deemed abstaining for all proposals in the concerned shareholders' meeting.
 - (4) The handling method where the results of all proposals are announced but the extempore motions have not proceeded.
3. Where the Company convenes the video shareholders' meetings, the proper alternatives provided for the shareholders having difficulties attending in the manner of

a video conference shall be specified.

Article 7

If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

When a managing director or a director serves as chair, as referred to in the preceding paragraph, the managing director or director shall be one who has held that position for six months or more and who understands the financial and business conditions of the Company. The same shall be true for a representative of a juristic person director that serves as chair.

It is advisable that shareholders meetings convened by the board of directors be chaired by the chairperson of the board in person and attended by a majority of the directors, at least one supervisor in person, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

The Company may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting.

Article 8

The Company shall make an audio and video recording of the shareholders meeting.

The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Where the Company convenes the video shareholders' meetings, the Company shall record and retain the records of the registration, enrollment, acceptance, inquiries, voting, and the results of vote calculation, and continuously record the video conference thoroughly, both audio and video.

The records and audio- and video recordings in the preceding paragraphs shall be properly retained during the Company's survival period, and the audio- and video recordings are provided to the organizer of the video conference for custody.

Article 9

Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the

attendance book and sign-in cards handed in and shares registered at the video conference platform, plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned. Where the Company convenes the video shareholders' meetings, the Company shall announce the meeting adjournment on the video conference platform.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month. Where the Company convenes the video shareholders' meetings, and shareholders intend to attend in the manner of video conference shall register again with the Company per Article 6.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 10

If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Votes shall be cast on the proposals in the agenda. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs, except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 11

Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account

name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Where the Company convenes the video shareholders' meetings, the shareholders attending in the manner of video conference may inquire with text at the video conference platform of the meeting since the chair announces the meeting commencement till the adjournment. No more than two inquiries shall be raised for each proposal, and the maximum length is 200 words. Paragraphs 1 to 5 are not applicable.

Article 12

Voting at a shareholders meeting shall be calculated based the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of the Company, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 13

A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When the Company holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or in visual communication network, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in the Company's Articles of Incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. When voting, shareholders shall vote by poll. After the conclusion of the meeting, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of the Company.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

Where the Company convenes the video shareholders' meetings, the shareholders attending in the manner of video conference shall vote via the video conference platform for each

proposal and election after the Chairman declares the meeting commencement. Such voting shall be completed before the Chairman declares the end of voting; anyone who misses the deadline is deemed giving up their right.

Where the Company convenes the video shareholders' meetings, the votes shall be calculated at once upon the end of voting declared by the chair, and announce the results of voting or elections.

Where the Company convenes the video-assisted shareholders' meetings, the shareholders who already have registered to attend the meeting in the manner of video conference pursuant to Article 6, but then intend to attend the off-line shareholders' meeting in person, shall withdraw the registration in the same manner of registration two days prior to the shareholders' meeting date; these who miss the deadline may only attend the shareholders' meeting in the manner of a video conference.

Those who exercise the vote in the manner of writing or electronic method, without withdrawing their expressions of intents, and attending the meeting in the manner of video conference, other than the extempore motions, must not exercise the votes to the original proposal, propose any amendment to the original proposal, or exercise the votes to the amendment to the original proposal.

Article 14

The election of directors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by the Company, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15

Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

The Company may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results (including the number of voting rights), and disclose the number of voting rights won by each candidate in the event of an election of directors. The minutes shall be retained for the duration of the existence of the Company.

Where the Company convenes the video shareholders' meetings, other than the matters to be recorded as required in the preceding paragraph, the starting and ending time of the shareholders' meeting, convening method of the meeting, names of the chair and record-keeper, and the handling methods when the video conference platform or

participation in the manner of video conference fails due to force majeure, such as natural disasters or incidents.

Where the Company convenes the video shareholders' meetings, other than complying with the preceding paragraph, the minutes shall also specify the alternatives for the shareholders having difficulties attending in the manner of video conference.

Article 16

On the day of a shareholders meeting, the Company shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shares attended by shareholders in writing or electronic way and shall make an express disclosure of the same at the place of the shareholders meeting. Where the Company convenes the video shareholders' meetings, the Company shall upload aforementioned information to the video conference platform for the shareholders' meeting, at least 30 minutes prior to the time the meeting commences, and retain the disclosure of such until the meeting ends.

Where the Company convenes the video shareholders' meetings, the total shares held by the shareholders attending the meeting shall be disclosed on the video conference platform. If the total shares and voting rights of the attending shareholders are counted during the meeting, the same applies.

Article 17

Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18

When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders meeting to defer or resume the meeting

within five days in accordance with Article 182 of the Company Act.

Article 19

Where the shareholders' meetings are convened in the manner of video conference, the Company shall, in real-time, disclose the voting result of each proposal and election results at the video conference platform for the shareholders' meeting, and retain the disclosure at least 15 minutes after the chair declares adjournment.

Article 20

When the Company convenes the video shareholders' meetings, the chair and the record-keeper shall be at the same location in Taiwan.

Article 21

Where the shareholders' meeting is convened in the manner of video conference, the chair, when declaring the meeting commencement, shall also declare the events not requiring postponement or re-convention specified in Paragraph 4, Article 44-20 of the Regulations Governing the Administration of Shareholder Services of Public Companies; before the chair declares the adjournment, in the event where the video conference platform or the participation in the video conference fails for 30 minutes or more due to natural disasters, incidents, or other force majeure, the date of the shareholders' meeting postponed to, or re-convened shall be within five days, and Article 182 of the Company Act shall not apply.

Where the meeting is to be postponed or re-convened as specified in the preceding paragraph, the shareholders who have not registered to attend the first shareholders' meeting via the video conference must not attend the postponed or re-convened meeting.

For the meeting is to be postponed or re-convened as specified in Paragraph 1, the shareholders who registered to attend the original meeting via the video conference, and have completed the acceptance, but do not attend the postponed or re-convened meeting, their attending shares at the original meeting, the exercised voting right and election right, shall be counted into the total shares, voting rights, and election rights of the attending shareholders in the postponed or re-convened meeting.

The postponement or re-convention of shareholders' meetings conducted per Paragraph 1 needs not again discuss and resolve the proposal that has completed voting and vote calculation, with the announcement of voting results, or the list of elected directors.

Where the Company convenes the video-assisted shareholders' meetings, and when the video meeting is discontinued as specified in Paragraph 1 and the total attending shares still meet the statutory quorum for shareholders' meeting commencement, the postponement or re-convention of the meeting per Paragraph 1 is not required.

Under the circumstances to continue the meeting as specified in the preceding paragraph, the shares held by the shares attending the meeting via video conference shall be included in the total shares of the attending shareholders, but deemed abstaining from all proposals in the concerned shareholders' meeting.

Where the Company postpones or re-convenes any shareholders' meeting as specified in Paragraph 1, the pre-requisite operations shall be conducted based on the original shareholders' meeting date, and pursuant to Paragraph 7, Article 44-20 of the Regulations Governing the Administration of Shareholder Services of Public Companies.

For the periods specified in the latter part of Article 12 and Paragraph 3 of Article 13 of the Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies, Paragraph 2 of Article 44-5, Article 44-15, Paragraph 1 of Article 44-17 of the Regulations Governing the Administration of Shareholder Services of Public Companies, the Company shall proceed on the date of the postponed or re-convened shareholders' meeting per Paragraph.

Article 22

Where the Company convenes the video shareholders' meetings, the proper alternatives shall be provided for the shareholders having difficulties attending in the manner of video conference.

Article 23

These Rules shall take effect after having been submitted to and approved by a shareholders meeting. Subsequent amendments thereto shall be effective in the same manner.

Article 24

The Rules of Procedure for Shareholders Meetings is approved on June 23rd, 2022.
